

TLC's Hands-On Newsletter

This month watch for a special bag to come home with your child! Bags can be filled (and refilled!) with change for our April Mission project, Heifer International.

This project helps children learn ways we can help others who may not have resources for food, clothing, or a home. This has been a fun and educational project for TLC preschoolers for over 20 years! Learn more at heifer.org.

The Week of the Young Child® is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC), to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs.

This year we are celebrating with these special events!

"Music Monday" April 7

All classes will get together for a musical parade with instruments

"Tasty Tuesday" April 8

We do a make-your-own trail mix for snack with grains and dried fruits to choose from

Work Together Wednesday & Artsy Thursday, April 9 & 10

Each class will contribute to a school quilt art project

Family Friday, April 11

We'll share a family activity calendar to inspire family fun and at home learning!

Volunteers for Spring Planting

We will be reaching out to our playground committee members for spring planting and general clean up in our outdoor areas. Other volunteers are welcome too—just let us know!

If you haven't taken the volunteer training, we can send that to you via email.

Thank you, volunteers help our students learn about vegetables and flowers and make our school beautiful!

PARK PLAYDATE

Coming soon!
Watch for more information!

TLC Summer Camp June 2—July 18

Summer Camp is a fun way for children to stay connected with school, routine, and friends throughout the summer break.

There are a few dates still available. Email the office if you are interested.

Thank you to our Hospitality Committee for organizing park playdates, providing appreciation to staff, and welcoming new families.

We appreciate you!
