

# TLM's Hands-On Newsletter

## Welcome Preschool Families!

Welcome to  
**PRESCHOOL**

We are excited to begin a new school year with you and your child. As we begin our 43rd year of weekday ministry for young children, we feel privileged to have your family joining us and to have the opportunity of working together for your child's benefit.

Each month you will receive a TLM newsletter with information that will tell about upcoming events, changes in programming, and more information that will help you stay current. This newsletter is also available on our website.

In addition, each classroom has a blog address for you to keep up with what is happening in your child's classroom. Keeping you informed is important to us and we hope you will give us feedback if you have ideas on how to help us communicate with you!
