MITTEN TREE MISSION PROJECT

Our December mission project is a mitten tree. Children may bring in mittens, gloves, hats, and scarves to decorate our Christmas tree at the reading area near Murr Hall. Classes will be talking with students about giving, sharing, and helping others.

Please bring in items by Monday, Dec 16. Items collected will be donated through Hope Southern Indiana for distribution to those in need this winter.

Winter Weather

- We play outdoors all year long! Make sure your child has adequate outerwear each day. Also, please put your child's name on their coats and jackets.
- TLC's Weather Policy: We follow NAFC schools for school closings. When NAFC schools are closed, we are also closed. If NAFC schools are delayed, we will be open if possible for those who can safely get to school. In rare cases, we may need to delay past early care and begin with 9:30 classes. Families will be notified via email, text alert, and our Facebook page.
- Cancellations will be announced on Brightwheel and FOX-41.
- Don't forget to switch your child's extra clothing to warmer clothes if you haven't already.
