Kindermusik

Sing. Move. Bond. Grow.

In October, Ms. Gwyn began leading monthly Kindermusik for every TLM class. The Kindermusik curriculum is a wonderful enrichment for our program.

Music integration in education has been found to help students with social skills, emotional regulation, language understanding, and cognitive development!

Help everyone stay healthy!

Be sure to wash blankets that travel between home and school weekly.

Also, wash jackets and lunch boxes frequently. Most lunchboxes can be washed in the washing machine. Check the care tag in your child's lunchbox.

Keep your child home when they aren't feeling well. Children who have a temperature over 100° or show any significant sign of illness (e.g. vomiting, skin rash, diarrhea, lethargy) should stay home until symptoms improve and temperature is normal for 24 hours without fever reducing medication.

Cold and Flu Prevention

We are thankful for...

- Our wonderful students and families
- Our amazing and dedicated staff
- Parent volunteers
- Mr. Nathan & Ms. Christa for their Bible lessons and music during chapel time
- Our custodian Ms. Lori, who keeps us healthy by keeping our building clean and sanitized
- Our building manager Mr. Keith, who keeps up with our day to day maintenance issues
- Pastor Chris and Ms. Mary from the church office for their help and support
- The Hospitality Committee for organizing the park playdate and Trunk or Treat

HUGE SHOUTOUT TO OUR AMAZING STAFF!

After our recent observation, TLM was once again recommended for the highest level with the state's child care rating program.

This would not be possible without the dedication to the highest quality by every TLM staff member. Cheers to our incredible team!

All December Scholastic Book Club orders will be sent home wrapped in case the books are holiday gifts.
